The Buddy Walk™, started by the National Down Syndrome Society, is a heart-warming, 1/2-mile advocacy walk that celebrates the many abilities and accomplishments of people with Down syndrome in our community.

More than 400 people participated in the Acton Up with Downs Panama City Beach Buddy Walk 2008 and raised \$12,000!

Through the outstanding support of our media and business sponsors, members, volunteers and the community we were able to offer for the first time a Summer Program and provide Physician's Information Packets for area medical professionals.
